*Correction*

On page 52495 in the issue for Monday, November 13, 1978, there appeared a correction to FR Doc. 78-30348 which had appeared in the issue of October 30, 1978. Because of printing limitations, the reproductions of the formulas for § 25.331 (c)(2)(i) and (c)(2)(ii) did not come out perfectly. Therefore, please note that the portion of both formulas which reads "(n-15)" should have appeared with a decimal point as follows: "(n-1.5)".
